

DPS INTERNATIONAL GHANA

ACCREDITED BY  CAMBRIDGE ASSESSMENT INTERNATIONAL EDUCATION & CBSE

Date: 11th Sep. 2021

Dear Parents/Guardians,

We are delighted to inform you that our students will be participating in the International Local and Global Olympiads in STEM competencies as part of the Academic Talent Development Program for motivated students in Ghana.

These Olympiad examinations are designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a printed certificate and an online result report. Top performers will be eligible for medals, will qualify for Global Olympiads and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into the Olympiads this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment that has been running for over 35 years. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning at the highest level.

The Assessments are mostly online, and students will have access to past questions for revision. To confirm your child's participation, simply complete and return the accompanying permission slip with payment no later than one month before a test date or register online at bit.ly/GhanaOlympiadAcademy

Once you register your ward, you will have access to the online portal where students can practise past questions. You will also receive a guide and learning resources for the subject area. We are proud to offer these Global Olympiads, and look forward to some fantastic results later in the year.

Please do not hesitate to contact **Mr. Kailash Godhwani** at mobile no. **0544349579**. if you have any questions.

Kind regards,

Dr. Seema V. Nair
Principal

International Olympiad in STEAM Competencies 2021 Permission Form

Please return this form to your school no later than 30th Sep. 2021

I give permission for _____ in _____
